Dear Tom,

Thank you for your call of 2/09/10 and the follow up call on 2/10/10. As per our conversation I would like to request that the state clean up the C&R Mill site on Route 128 in Grand County, UT. The old mining equipment and anything else related to mining could be removed as well clearing and reclaiming the site. All would be very much appreciated.

Thank you,
